Introducing HEALON PF™ HERBAL REMEDY FOR DIABETIC WOUNDS THAT WON'T HEAL

The "all natural" answer to healing those unsightly bruises from blood thinners and aging skin.

A topical proprietary blend of herbals and botanicals* that span 23 years of research and development to help make your life easier and more enjoyable.

- The fast acting formula will also eliminate the black and blue marks from accidental contact with hard or sharp objects.
- This product is physician tested and recommended for diabetic and slow healing wounds caused from poor circulation or inactivity.
- Bedsores and pressure ulcers are helped in many cases when nothing else will give relief.

Long sleeve blouses and shirts are no longer required to hide your wrists and arms. Blotches are normally gone in about ten days. Everyone's skin chemistry is different so some required a little more time...some less. Contact your merchant listed on your Sales Receipt to order your Healon PF.
